There are two teaching styles for 9yr+ classes. See description below:

Project- Based Class (For 9 yr and up: P1, P2, P3: Project based level 1, 2, 3)

Each student works on their own project and teachers will guide them according to their individual style / level.

Students can choose what they would like to work on and will build drawing and painting skills while exercising their creativity to the fullest. Teacher will incorporate small lectures and teach techniques based on level. Advanced students can develop an original portfolio.

Curriculum Class (For 9 yr and up: C1, C2, C3 : Curriculum based level 1,2,3)

Students will follow a set curriculum to build fundamental art skills step- by-step with the instructor.
